

How to be Rich: Charge Them That Are Rich (I Timothy 6:17-19)

INTRODUCTION: Paul had gone to Ephesus to start a church and he had left Timothy to pastor the church. Now Paul was writing to Timothy to give him some instruction. Ephesus was a very wicked city where they worshipped the goddess, Diana. Their philosophy was that the goddess Diana gave them their sexual desires and therefore, in order to worship their god, they had to fulfill all of their sexual desires because their God wanted them happy.
